What is the "Friends" group?

The Friends group is composed of community members just like yourself! Community members of all ages are welcome to help raise awareness of the Visiting Nurse Association of Pottstown and Vicinity programs and happenings to date.

Mission Statement

As Friends and Ambassadors of VNAP we volunteer to identify, develop, and support Friends-sponsored events and activities throughout the year. Monies raised from these events are used by the VNAP to help uninsured and under-insured clients obtain the necessary VNAP services.

BE A PART OF THIS EXCITING GROUP!
